

Guess the Hidden Object

A Fun Observation & Memory Game

Who Can Play?

- Perfect for Grades 2–6
- small groups or whole class.

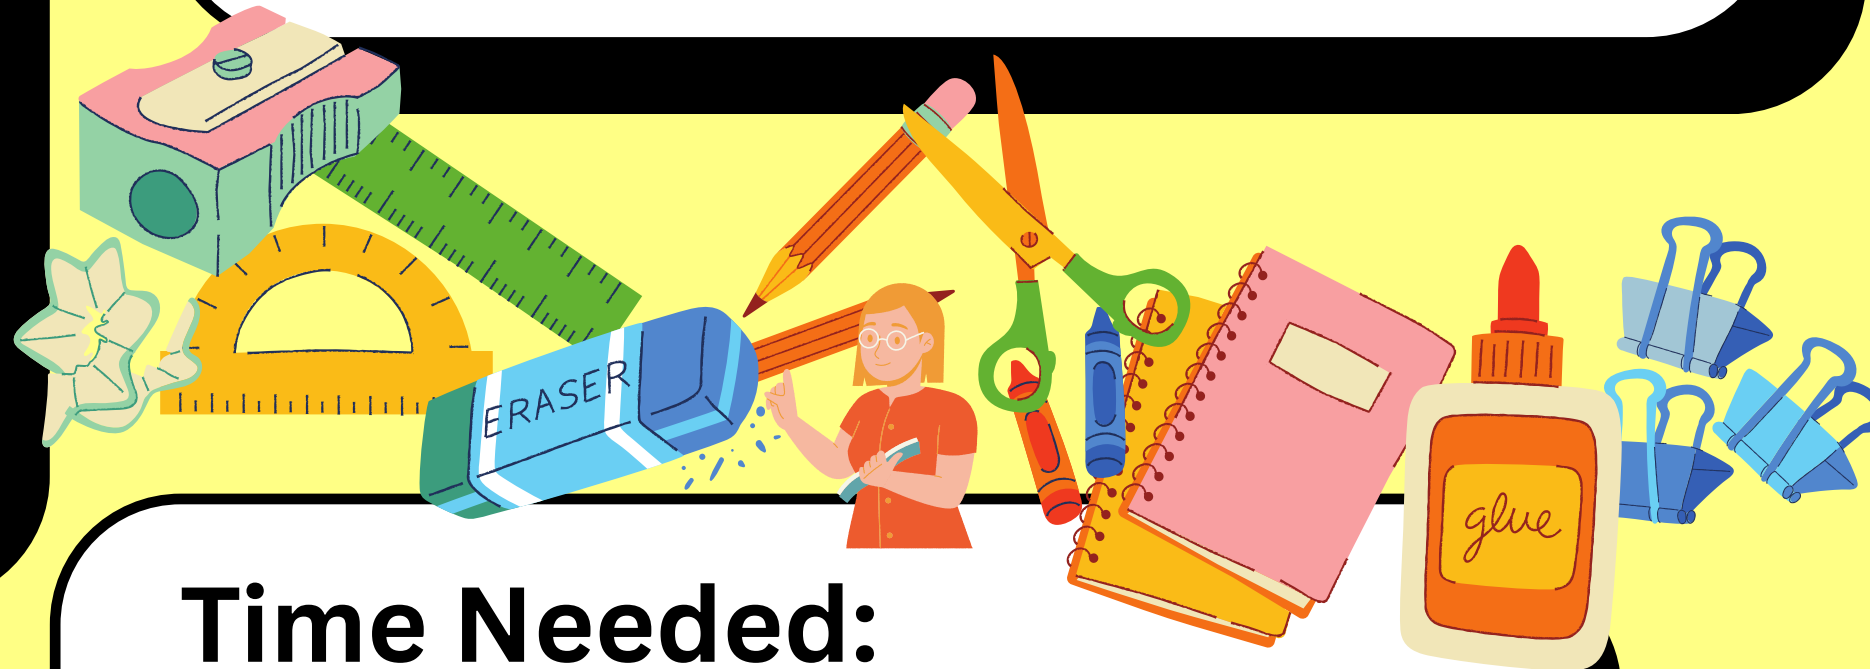

How to Play

- The teacher places 10–12 small objects on a table.
- Two students leave the room.
- The class and teacher hide one object.
- Everyone counts 1 to 10 together.
- The two students return and look carefully.
- They try to guess which object is missing!

Materials Needed:

- A table
- 10–12 everyday objects
- A small bag/box to hide items

Time Needed:

- 5–10 minutes per round
- Great for warm-ups,
- brain breaks,
- or end-of-class fun!

What Students Learn?

- Observation skills
- Memory and attention
- Teamwork
- Confidence in sharing answers
- Quick thinking
